**Parking**

**We have had many complaints about parking problems on Housing Authority property. As a reminder we want to stress to everyone that parking spots are limited to one per household.**

**If you don't have a parking permit for your vehicle please contact your leasing manager to have one issued. If you have friends or family visiting please tell them to park on the street, they are not allowed to park in the parking lots.**

**SPRING CLEAN-UP**

It's about that time of the year again when the trees and grass begin to green, the weather begins to warm up and everybody starts to enjoy the outdoors.

To further benefit from this experience tenants need to remember to keep their yards clean from trash and pet feces. If a tenant's yard is not kept clean within the guidelines of the lease they will receive a **lease violation**.

**The Leasing Managers will be out checking yards to enforce the policy.**
