

Great Falls Housing News

The office will be closed on Monday, December 26th, for Christmas, and Monday, January 2nd, 2017 for New Year's Day.

Emergency??

Before you call the emergency maintenance number, stop and think...is it really an emergency, or can it wait until tomorrow? A dripping sink or no hot water is not an emergency. Some of the things that are considered emergencies are:

- Anything plugged (sink, toilet, etc.)
- Gas smell
- Furnace not working (in winter)
- No power

The emergency number is 788-0427.

EXCESS UTILITIES

Please remember to call the Housing Office to get your balance on rent and excess utilities on or after the 26th of the month. It is your responsibility to have this paid. 453-4311

Wintertime Blues

It's that lovely time of year again, when the snow flies and the roads and streets get icy.

When it snows, our maintenance crew comes in early to try and get the main sidewalks cleared.

So you need to have your extension cords picked up before they come around with the plows.

Tenants are responsible for clearing the sidewalks from the doors to the main walks.

And, please remember to slow down when conditions are icy.

Gas Charges

The weather is getting colder, so as you turn your heat on, remember to be conservative. You will be charged for **excess** gas usage.

You might want to grab a sweater or an extra blanket instead of turning the heat up too high.
