As children are ready to participate in activities we would like to remind you about the opportunity that GFHA has for you.

The Housing Authority will pay for a portion of registration fees for organized youth activities. Up to \$15.00 will be paid for non-school activities, and up to \$30.00 for school activities.

Stop into the office and pick up one of the forms for the activity you chose.

The following information does not apply to service, therapeutic or companion animals.

Where is Fido?

You must know the answer to this question. If you don't, your housing could be in jeopardy (this applies to all pets). The Great Falls Housing Authority (GFHA) allows pets after a \$300.00 pet deposit is paid (for cats and dogs). Types of pets allowed are: one dog (25 pounds or less), one cat, one bowl or tank of fish (tank size limited to 20 gallons or less), two caged birds (parakeets, canaries, parrots or cockatiels only), or one small caged animal (guinea pig, hamster or gerbil).

When you have paid the fee, brought proof of the required vaccinations and a health certificate for the pet (when required) your responsibilities for taking care of the pet are just starting. It is the tenant's responsibility to meet the requirements of City dog and cat registration and GFHA pet policy. Ignorance of the GFHA policy and City ordinance is not an excuse, and a violation of these policies and ordinances may result in losing your housing.

The GFHA requires all dogs and cats to be neutered and spayed. Dogs must be on a leash at all times when outside the residence and under the control of an individual. Cats are not required to be on a leash, but they must be confined to the owner's property or be under the physical control of the owner. Tying your dog on a rope or tether, chain, etc. and leaving it alone is not allowed. You, the tenant are responsible for picking up the dog "poop" in your yard which includes your animal's as well as those animals that are loose. When you walk your dog and it stops to do its business, you must pick up after it. Carry baggies and drop in the nearest waste container. If your dog barks and disturbs the neighbors or bites anyone, you may lose the pet or your housing or both depending upon the situation.

Following these simple rules not only allows you to enjoy your four legged friends but insures that they are good citizens in the GFHA community.
