### Construction Starting—It will be a slow process.....

Construction will soon start on the main site around the office area and to the south. New infrastructure will be laid out for water, sewer, electrical, sidewalks, etc. Please watch out for the equipment and workers and pay extra attention to your children so they are not playing around the construction site. Sorry for any inconvenience this may cause.

### A Few Reminders

With spring and summertime approaching fast, please remember:

- ◆ No swimming pools are allowed on Housing Authority property.
- ◆ No indoor furniture can be left outside to be used as yard furniture.
- ◆ Think about the kids playing outside. Observe the speed limits.
- ◆ Anything left outside must be kept near the building in an orderly manner. Dr. Lawn needs to be able to get around and mow.

### MAIL CALL

Attention: New Tenants.

When you *move in*, there should be an orange card in your mail box. Please fill it out and put it back in your mailbox. This way, the mail carriers will know who lives in each unit.

You need to be sure and list every person in the household, even the kids. They have mail addressed to them sometimes too.

If you are *moving out*, please make sure you submit a "change of address" to the Post Office. Otherwise, your mail will pile up in your old mailbox.
